Dear Mr. Siedhoff:

RE: Resource Recovery Certification RR - 020  
Classification - R2

This letter is to inform you that the Department of Natural Resources has completed the review of your certified resource recovery facility application form. After a review of your application form and the supporting documents, the department is pleased to inform you that Union Electric Co. - Ashley Plant has been certified for resource recovery contingent upon the following conditions:

1. The operator shall comply with 10 CSR 25-9.010 and all plans and processes described in the certified resource recovery application.
2. The operator shall burn waste oil (including off-specification waste oil) as listed in the application and in the amount specified in the boiler unit.
3. The quarterly reports as required by 10 CSR 25-9.010(1)(D)2. shall indicate both the amount of waste oil stored at the facility at the time of reporting and the amount of waste oil burned in the reporting period.
